

Sister and Brothers,

As indicated in our previous bulletin, bargaining for the renewal of the clerical agreement will begin shortly. This week, the bargaining committee met in Ottawa to prepare to restart bargaining. We have reviewed our initial requests, as well as any agreements that had been reached before the interruption of our negotiations and have prepared our questions and positions on future issues.

We have also confirmed dates for bargaining meetings with the employer. In the past, we used to negotiate over a period covering an entire week, but with the present COVID situation, certain family responsibilities have led us to adapt our practices. The dates are as follows:

- June 22 and 23
- June 29 and 30
- July 13, 14 and 15

It is very likely that additional days will be planned and we will keep you posted. We will also keep you posted on the progress of our discussions at the table. Know that we are ready to work hard to achieve a result that meets your objectives. We thank you for your support.

In solidarity,

Your Bargaining Committee

Our strength lies in our solidarity!
